Abrahami Rugs & Décor Debuts New Showroom

The Imperial Rug Collection by
Abrahami Rugs & Décor

In June 2009, Abrahami Rugs & Décor moved into Suite 906 to debut their new showroom and collection of area rugs, bath mats and kitchen mats.

Abrahami Rugs & Décor had its beginnings in 1976. Its Founder would purchase synthetic rugs from an importer on 29th Street, which inspired him to start up his own rug import business that has remained a family business ever since. Today, in its second generation and headed by his older son, Sam Abrahami, the business operates from an expansive New Jersey distribution center with delivery capabilities of over 200,000 square meters monthly. Due to their continuous expansion, the Abrahami brothers recently purchased a 50 year land lease in China where construction on a new production plant will commence in Spring 2010. It will

produce tufted bath mats, printed kitchen mats and berber mats.

"Always in stock" is the Abrahami motto, with quality rugs and mats that are competitively priced and ship directly from their NJ warehouse. Orders as small as a single rug order shipping to one retailer are accepted as well as trailer load programs, treating both with equal dedication. They specialize in woven area rugs of every size and quality, kitchen mats, runners and a large line of promotional decorative flooring as well as 3 pc bath mat sets, offered in over 15 textures and attributes with over 12 colors to choose from.

New for 2009 is the Imperial Rug Collection made from 500,000 points super abramylon heat set fibers. With colorfast and stain resistant properties, it is beautifully rich in color and texture and consists of 40 different rugs in a variety of sizes and shapes, ranging from a 2'x4' rectangle up to a 10'x13' mansion size.

Also new are Expressions by Abrahami bath mats and sets, made from recycled cotton heat set shaggy fibers with a pile height of over 1". Offered as either a 2 pc set or a single 22"x34" bath mat, it is washable as well as super absorbent, available in 12 colors and in over 10 patterns. For more info, contact Sam Abrahami at (862) 224-1776 or e-mail sam@abrahamirugs.com
